

Introductory Golf Package

Christchurch Golf Club offers a package for new members who are starting golf.

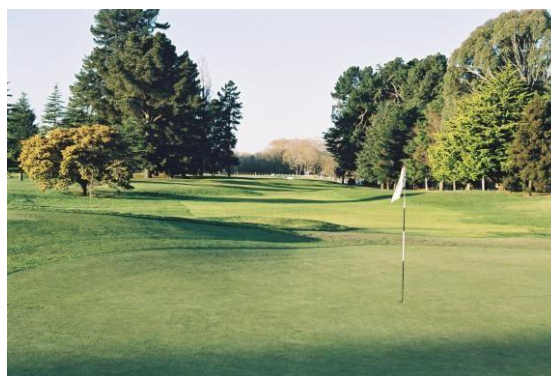

Coaching

As a starter to golf, it is a great idea to get coaching on the basics. The club has secured the services of NZPGA AAA rated Golf Professional Jason Tilley to provide group sessions to get you started and help you enjoy your golf.

This includes;

- Jason Tilley, our local coach, will provide 6 x 40 min group lessons.
- Individual mentoring by members until you have your handicap.
- Education on play, etiquette and rules by a senior golf member.
- Introduction to existing groups of playing members (9 or 18 Holes) as nominated by you.
- As a member you can book online or through the Proshop to play Sunday – Friday (some tee times excluded).
- Once you have a handicap and transfer to a full membership, playing times are extended and you can then participate in club competitions.
