Member Update – from Club Captain Doug Claridge

A week on from the darkest day in NZ history, where due to the actions of one individual we became spectators to an event we never thought possible in our “safe “part of the world. We all will be affected by it, and can't ignore it, and will all remember where we were when it happened.

The NZ Stroke play championships are being played over this weekend at Christchurch Golf Club, after consideration and consultation the event has gone ahead with players wearing a black ribbon to show support for our City. Matt McLean, Josh Smith and Kerry Branson are representing our club in this event, best of luck to them. This weekend is the first round of the Harewood 4BBB competition, there are 32 qualifiers with one pair missing out. There should be some good matches, and the course continues to improve after the coring last month. The Ladies have an FMS Stableford round. Next week the Men have a Par round off the Blue tees, for those in the Shootout this will count in the competition. The Ladies have a Bisque Par.
