Members News

Member Update – from Club Captain Doug Claridge

The first round of the Mens Harewood 4BBB was played last weekend. There were several close matches and a number of players taking on their opposition on their own. Marcus Wyatt was successful in beating his opposition on the 20th hole on his own. Well done Marcus the secret weapon worked! To all the other winners who advance to the second round on the 13th of April. The match committee met this week and made the decision to re-instate placing on the course. The course has become a little damper and I certainly noticed that I am getting a few “mud balls” during my round on Saturday. As the course has become damper, I need to remind players of carrying and using a sand bucket to repair your divots and repair all your pitch marks. This should be printed on the new scorecards as well as the local rules board for consistency now for your information. The new scorecard scanner is working well, however members are reminded to check that you have signed your scorecard prior to scanning. Technically it is a reason for disqualification from competition of the day if you haven't signed your scorecard. A reminder is also required for those playing matches that a card is required to be handed in for handicapping. For those who have entered the shootout, I am advising you that the date for Shootout Sunday has been moved. Due to a potential loss of a large number of players, (and consequently the prize pool) the date for the Shootout Sunday is now the **10th of November 2019**. This is one week later than advertised in the programme (3/11/2019). For those who have entered and are unable to make the new date, please see me or Craig in the Pro Shop.

Results –

Saturday 23/03	Ladies FMS	Mens Irish Stableford
1st	Fiona Nicholls 42	Bradley Edmonston 91
2nd	Christine Herd 40	Andrew Lee 87
3rd =	Catherine Butts 38 Lorraine Bamford 38 Sandy Moore 80	Luke Dilworth 86

Best of luck this weekend. Men it's a Par round off the Blue tees, Ladies a Bisque Par.

On Monday 01 April our team of 5 players: **Carolyn Rickard, Sue Polson, Janet O'Brien, Alison Lynch and Stephanie Withell** will challenge Charteris Bay for The Boyle Cup. We wish you all the very best of luck, play well and enjoy your day.

New Website

This has been launched (www.harewoodgolf.co.nz) and members are encouraged to visit the site and if you don't have a login that you have used at the www.golf.co.nz site then you can create one by going to the member login area under Membership. There are lots of new features there for members to now access online.

Course Care

Some of our members recently visited Bottle Lake and commented about the greens having some sort of disease. This is a timely reminder to please ensure your shoes and golf cart wheels are cleaned after each round when playing to avoid the transfer of such diseases to other courses, especially ours!

Twilight Comp – Last One this Tuesday!

With daylight saving coming to an end we will hold our last comp this Tuesday Apr 2nd with a slightly earlier start time of 5pm given the light issues of the past 2 weeks. If you can't get here for 5 then then you can still play the comp but tee off as early as you can. All players will receive a complimentary drink at the end of the round as a thank you for supporting the move to Tuesday's. See you then!

Congratulations – Matt McLean

Matt was in the final group last Sunday with the New Zealand Stroke Play Championship title on the line. Paired with recent NZPGA champ Kazuma Kobori and Northland's Luke Brown, Matt had a frustrating round with birdie opportunities on a number holes not being taken. To finish in 3rd in a field of NZ's top amateur players was a great effort Matt and great to see Harewood members out there in support.

"We'll see you right"

DYERS ROAD
