

CHAMPIONSHIP PAIRS

This is a Combined Stableford (18 Holes) competition.

Maximum handicap is 40.

This is played in pairs - but you do not have to play with your partner.

If you choose not to play with your partner the office must be notified before the first player tees off.

Players over the maximum handicap may enter but their score will be adjusted back to the maximum handicap.

Any disputes on the day will be handled by the Golf Match committee.
