

WOMEN'S CLUB DAYS

Women's Club Days

We have two women's club days on Saturday and Wednesday, between early February and late October when, for an annual fee of \$25, you may play in the competitions as detailed in the fixtures book. To enter these competitions please nominate the day on which you wish to play.

Details of all competition formats are on this website or can be found in the back of the Weekend or Midweek women's folders.

Please pay the annual fee before the end of February to qualify for entry into the competitions. **Points will not be credited until fees have been paid.**

New members may, if they wish, pay their \$25 any time during the year. They should be advised that they will have missed some of the tournaments.

Depending on your status you are welcome to play on either or both Women's club days and you do not have to play in the competitions.

All trophies and prizes are presented at Prize giving which is held after Women's Closing Day. See fixtures book for date.

Saturday Tee off from 9 am. You must be a full playing member to play today.

To be included please put your name down on the start sheet in the first available space from 9am, no later than the Thursday evening prior to the Saturday. **(This is not the time you will play)**. Please check the website on Friday afternoon to confirm your tee time. On Saturday, please get your card printed at the office and select your competitions, at least 15 minutes before your tee off time. If you are running late please phone the office and ask them to print your card. If the weather is wet, people may pull out so we may need to redo the draw so please come before your tee time so that we can adjust the tee times.

Wednesday 9.00 am. Full playing and midweek members can play today.

There is no need to book a tee time but please get your card and hand it to the Women's starter no later than 8.45. A draw will be done on the day.

Note: For LGU you must choose at the beginning of the season if you will be a midweek or a weekend player. You will need to choose to play in either the Midweek or Weekend event, you cannot play in both.
