Please note: The people in the first group will do the **results** for us. If you are unsure about what to do please ask a Committee member to assist you. The Results folder can be collected from the office after our game.

### **Reporting in**

Please ensure that you have picked up your card at least 20 minutes before your tee-off time. Due to last minute cancellations we may need to reorganise people so that we fill our tee slots. Please be aware of this on wet days and arrive a bit earlier to allow us to reorganise our group.

We are trialling the new way of organising our group so the committee will be monitoring this during the year.

Enjoy your golf.
