

JUNIORS UPDATE

Update - Timetable - Events - Coaching

MID TERM UPDATE

It's been a crazy 5 weeks into the term and we need to welcome so many new families and players to the club! Welcome to the Par Tee!

Our Sunday Club Days are attracting lots of players at both the coaching level and our on course Sunday games. We have made a slight format change for the next 5 weeks to accommodate the growth of the club and to ensure we can give the best experience for every club member.

Intermediate 9 Hole golfers will tee off at 9am and come back in for coaching with our NZPGA Pro's from 11.30 - 12.30. This means we can ease congestion on the course and give intensive training to improve our games!

TOURNAMENTS

Something all golfers aspire to is to compete in tournaments. Otago offers some awesome Junior Tournaments for players both with a handicap and without.

DJGC would like to take some kids away to the upcoming tournaments. This is great for kids hoping to get their first, fifth or a few more tournaments under their belt.

PLEASE contact me know regarding upcoming tournaments so we can work out the logistics for the events. DJGC can help subsidise travel, accomodation and offer loads of support, but I need to know NOW who is in!

WITH THANKS

DJGC is a not-for-profit trust working simply for the love of golf and our juniors!

We would like to thank our new sponsors:
